CANCER SERVICES OF NORTHEAST INDIANA ♦ JUNE 2021 ♦ VOL 78 ♦ ISSUE 2

## Searching for answers, finding success

By Kourtney Teegardin

I was diagnosed with stage II malignant melanoma the summer of 2016 at age 34. It was found on the right side of my upper back. I pushed my oncologist to schedule surgery as soon as possible; all I could think was, "Get it out of me." It was hard to wrap my head around this diagnosis when I felt physically fine. Surgery day arrived, and I went into it feeling terrified. I woke up feeling relieved that it was (hopefully) out of my body.

Post-surgery, I visited Cancer Services of Northeast Indiana. I called for information, and they encouraged me to visit and get a massage (I was probably crying when I called).

I had a massage, and my massage therapist informed me about physical restrictions I should be aware of with my right arm now that I was missing lymph nodes.

**I had a glimpse of what life with cancer could be, and I wanted to help.**

My client advocate, Liz Fenimore, listened to me talk about my experience, and my fears for my future. She gave me information and resources related to melanoma prevention and protection. Most of all – she was kind, she listened, and she allowed me to be vulnerable.

I visited my oncologist soon after.

And he gave me the best news – the melanoma was found early, the area that was removed on my back had clear margins, and all five of the removed lymph nodes were cancer free.

Feeling grateful and lucky, I decided to volunteer with Cancer Services. I had a glimpse of what life with cancer could be, and I wanted to help local people with cancer. I joined the 2017 Ribbon Walk (then called the Lapper) committee and have been part of it since.

Kourtney's team

In 2021, I was asked to be the event chair. Finding a way to safely hold the event in person during the pandemic was challenging. Together, the committee worked with staff to find ways to hold a safe event while still providing people with a fun experience. The event raised the most in its history, at over \$81,000! I am proud to have been a part of that success.

On July 7, I will hit my five-year cancer free milestone. My chance of recurrence drastically diminishes. However, I will lather myself in SPF 70 forever.

*Kourtney Teegardin is the Business Development Director for Rothberg Law Firm. She is a cancer survivor and was chair of Cancer Services of Northeast Indiana's 2021 Ribbon Walk Committee.*

## Thank you for your support!

Because of generous donors like you, the 2021 Ribbon Walk raised \$81,690 to support local people with cancer. Thank you to all the participants, supporters and sponsors who make this possible!

*Thank you*

*Cancer Services is entirely supported by charitable contributions. Some support comes from local foundations, but it is the individual donors who make the most impact - sending regular checks, buying tickets to fundraising events, and walking to raise money with friends. These gifts come with "no strings attached," which means we are able to fund innovative new programming and balance resources so that people can get what they need when they need it.*

*When you read this list of amazing donors and wonder if your gift matters, please know that the organization wouldn't exist without it.*

## **AUGUST** Spiritual Forest Therapy Walk Tuesday, August 10, 2021 9:00-11:30 a.m.

Facilitated by Christy Thomson, Certified Forest Therapy Guide (CFTG)

This is a very low impact activity that supports healing and wellness in natural environments.

Location: Dustin Nature Preserve, 1802 Chapman Rd., Huntertown, IN 46748

## **Empower Your Recovery: A Program for Healing and Growth for Living Beyond Cancer**

**Tuesdays, August 31 –  
September 28, 2021**  
**5:30-7:00 P.M.**

Facilitated by Danielle Peterson, LCSW

Open to those 18 years and older who are within two years of completing cancer treatment.

Join others who have recently finished cancer treatment in a 5-week educational support group. Topics include common survivorship issues including fear of recurrence, changes in relationships, and navigating physical adjustments. Participants will get a chance to experience a variety of relaxation methods, express their thoughts and feelings in a safe and understanding environment, and take away knowledge that will empower their recovery.

## **SEPTEMBER** Estate Planning in a Nutshell Thursday, September 9, 2021 5:30-7:00 p.m.

Presented by  
Cory Swagger, J.D. and Ed Souers, CPA,  
Cancer Services Board Members

This presentation will help you gain a greater understanding of estate planning; why a will is necessary; the value of trusts, both living and charitable; and the importance of healthcare directives.

I was diagnosed with stage 4A peritoneal cancer 5/2020. I had 22 rounds of chemo and a full hysterectomy. I am in remission but I take herbal supplements and I pray and keep God close. I received alot of support from friends, family, cancer services and the wonderful staff at Parkview Cancer Institute.
