Cancer Services' 12th Annual Lapper & Survivors Day brings in more than \$69,000 to help people fighting cancer

Cancer Services of Northeast Indiana's Lapper & Survivors Day 2014 proved to be a wonderful day. We were honored to have both new and familiar faces gathered together on May 17 to raise money, build awareness and support Cancer Services' mission.

Donations from more than 900 generous supporters enabled us to raise more than \$69,000. The money will go towards programs and services to help people in our community who are affected by cancer. We also had a record number of participants this year with 53 teams and more than 560 walkers participating in Lapper & Survivors Day.

Cancer Services would like to thank the 20 sponsors who made the event possible. We also want to extend special thanks to several people who helped make the event extra special:

- Pinkie Loudon, who was the top fundraiser for the event bringing in \$2,570 in donations
- Ella Miller, who sang the National Anthem
- Kim Fislar, who gave the keynote address
- The Bishop Luers Dance Team and their coach, Cindy Figel, for the "flash mob" performed at this year's event

About Cancer Services of Northeast Indiana

Cancer Services' mission is to enhance the quality of life of those affected by cancer by providing meaningful resources, information and compassionate assistance. Last year, more than 2,600 local people with cancer and their families received emotional support and practical resources for their cancer journey. Cancer Services of Northeast Indiana helps people who live in Allen, Adams, DeKalb, Huntington, Kosciusko, LaGrange, Noble, Steuben, Wabash, Wells, and Whitley counties.
