## My story isn't special...

*Weber Walkers plan to participate in Lapper every year.*

*by Denice Beights*

**W**hen talking with Chris Gilliom, that's exactly what she said: "My story isn't special." But EVERYONE'S journey with cancer IS special because it's unique and personal.

Chris got involved with her fight against cancer several years ago. She and a friend participated in another walk to benefit breast cancer research. They enjoyed it so much they decided to get their students involved, as well. So for the next few years, Chris captained a team for the walk for her colleagues and students. She enjoyed the event and enjoyed promoting awareness for breast cancer.

Then, she says, "Cancer invaded my life personally." First, Chris's mother-in-law was diagnosed with breast cancer. Then, her father was diagnosed with lung cancer and quickly passed away from the disease. Finally, in 2009, her husband, at age 54, was diagnosed with prostate cancer. The summer following her husband's surgery, she happened to see an article in the paper placed by Cancer Services requesting volunteers to make tie pins for the Tie1On4 Prostate Cancer awareness campaign. She contacted Linda Bewley, the outreach coordinator, and scheduled a meeting. At that meeting, Linda told Chris about all of the various services offered at Cancer Services and gave her a tour of its facility.

Chris was AMAZED by all Cancer Services does for people with cancer in our community— and all at no cost. She learned that one way they could raise money to ensure that people get the help they need is through events like The Lapper. She was hooked! She reached out to her siblings and they formed a team in memory of their father, who had just passed away from cancer. They had a great time at the event – and plan to have a team again this year! They felt like this was a way that they could honor their father and raise money and awareness for such a wonderful organization.

Chris may not feel like her story is special, but it's so familiar. Her reason for getting involved in The Lapper is special: to remember a loved one and to raise awareness for CSNI. I hope you, too, will tell us your stories and join us at The Lapper on May 21.

## Join us for Lapper 2011!

Sign up today to participate in our 9th Annual Lapper, a fundraising walk designed to honor or memorialize those touched by cancer. When Lapper founder Jill Burnett first organized this event, she encouraged people to test their own endurance and push past their comfort zone just as people with cancer do every day. That tradition continues today, and each Lapper participant is encouraged to walk as many laps around the paved two-mile trail at Foster Park as he or she can.

Bring a friend, form a team and help us raise money to provide support and services to people with cancer in our community. All proceeds benefit Cancer Services of Northeast Indiana.

There are two ways to register: online at [www.lapper2011.kintera.org](http://www.lapper2011.kintera.org), or by downloading the registration forms at [www.cancer-services.org](http://www.cancer-services.org). Forms are also available at Cancer Services.

# Design on Life recap

What an amazing event! Over 300 people joined us for our 8th Annual Design on Life event on

Saturday, February 26, in the Johnny Appleseed Ballroom at the Memorial Coliseum. This year's theme was "A Stroll Down Bourbon Street," and guests enjoyed New Orleans inspired food and entertainment, as well as a silent and live auction to benefit Cancer Services. From the traveling musicians and impromptu parades to our fortune teller, Madama Nonsenya, the party brought New Orleans to Fort Wayne.

## Barbara Davies

Many thanks to the late Barbara C. Davies for remembering Cancer Services of Northeast Indiana in her estate planning. Mrs. Davies passed away last summer at the age of 87. She and her husband raised two sons and spent most of their adult lives in Fort Wayne. She loved Collies and nature, and she saw the impact cancer had on many friends and family members.

Her generosity and thoughtful planning will help Cancer Services provide the kind of care and support that she valued. Thank you, Barbara!

## Calling All Breast Cancer Survivors

4th Annual  Bust a Move

For the 4th Year, the Fort Wayne Derby Girls will be hosting Bust A Move, an art exhibit and auction to benefit Cancer Services. We are honored to have been chosen by this wonderful group of strong and caring women to be their partner in this unique project. Since its inception in 2008, the event has raised over \$20,000 to support programs and services for breast cancer clients in our community.

The committee is looking for breast cancer survivors who are interested in participating in the casting process. There will be discreet and private casting parties at Cancer Services, complete with wine and cheese. If you would like to participate, contact Amber Recker at (260) 484-9560 or arecker@cancer-services.org.

# Truly a Community Man

*How Bill Seidel Gives Back  
to Cancer Services*

volunteerspotlight

Mr. and Mrs. Bill Seidel

The Governor's Award for Volunteer Service recognizes people who have voluntarily contributed time and talent to the betterment of their communities. It is our honor to have nominated Bill Seidel for this award for his dedication and commitment to Cancer Services of Northeast Indiana.

Bill is a facilitator for the "Us Too" Prostate Cancer Support Group, as well as the Advanced Prostate Cancer

Discussion Group. During their regular meetings, he spends countless hours providing encouragement and support to hundreds of men with prostate cancer. As part of his work with the support groups, Bill recognized the need for a caregivers' support group for spouses and partners of men with prostate cancer. He and his wife, Laine, were instrumental in getting this group started in March of 2009. He also networks at a national level with prostate cancer research and support groups and stays informed about the latest research and advocacy issues, bringing that insight back to Cancer Services to help his support group attendees.

In addition to his volunteer work with the support groups, Bill has dedicated time for the past two years to Cancer Services' Tie1On4 Prostate Cancer Campaign, which focuses on spreading the word about prostate cancer in Northeast Indiana. He pulled together a team of volunteers who would be willing to make the campaign a success, and also conceptualized a design for the displays, which consist of two wooden cut out ties and a banner hanging in the middle promoting prostate cancer awareness. He and his

team of volunteers distributed the large displays throughout northeast Indiana during September, which is Prostate Awareness Month, but he didn't stop there. He also wanted to provide an opportunity for men and their families to get together, learn more about this disease, and ask questions. On September 18, 2010, Cancer Services hosted the Tie1On4 Prostate Cancer Seminar. It featured presentations on recent developments and advanced treatments, maintaining and enhancing men's sexual health, the role of nutrition in preventing and fighting prostate cancer, and exercise. Bill's leadership was instrumental in locating quality speakers and securing funding. He handled publicity through various media organizations, and led his team of inexperienced but willing prostate cancer survivors to accomplish this goal.

Bill has accomplished so much in a very short time as a volunteer for Cancer Services. He regularly donates approximately twenty hours per month, but during the months of planning Tie1On4, he put in fifty to seventy hours. We are grateful for his commitment to our organization and we cannot thank him enough.

## New Board Member Profiles

*We are pleased to welcome four new members to our board of directors for 2011.*

Neal Blythe, a lawyer with Mefford, Weber & Blythe, PC, hails from DeKalb County and is an active community volunteer in that county.

Joe Byers with Grabill Bank says he "wants to be a part of an organization that helps people with cancer," and plans to jump in head first as an active board member for our organization.

Whitley County resident Laura Lefever, chair of the Parkview Whitley Hospital board, feels "blessed to have the opportunity to serve on the board for such a fine organization as Cancer Services alongside several long-time friends."

Fort Wayne native and lawyer with Murphy Law Group, Sophie Tippmann knew within minutes of taking her first tour of our facility that she wanted to be more involved. She joined our Friends Committee in 2010 and is looking forward to becoming more involved as a board member in 2011.

## Special Thank You's

We could not do what we do without the support of our tireless volunteers and the community at large. We'd like to extend a special thank you to Arlene Dennis, Bobbie Castleman, Deb Green, Jeanne Green, Janet Dadiras and Diane Dunifon for creating beautiful thank-you and memorial cards for us to use.

### Something Old, Something New

Each year, Diana Johnson, owner of Something Old, Something New, holds a dollar sale in October and donates the proceeds to our organization. This year, she raised \$625. Thank you!

### Discom-BOOB-ulated

Thank you and congratulations to Denise Buhr, winner of the 2nd Annual Northeast Indiana Playwright Competition for her play "Discom-BOOB-ulated". Denise donated a portion of her winnings to our organization. Her play will be shown at the 2nd Annual Playwright Festival, June 3-5, at the Allen County Public Library Auditorium. For more information, call (260) 422-8641 x 221.

### East Noble & Wawasee High School Gymnastics

Outreach coordinator, Linda Bewley, with the East Noble and Wawasee Gymnastic teams.

We'd also like to thank the East Noble and Wawasee High School Gymnastics teams for joining forces in January to host "Sticking It to Cancer" and donating the proceeds to our organization. Team members sold purple t-shirts to advertise the event and solicited sponsors for the meet.
