## GAME ON! *The Shippy Family story*

When Gary Shippy was diagnosed with Stage IV Glioblastoma (GBM), a form of brain cancer, in September 2009, his family's life was thrown into a vortex of treatments and surgeries before the news had really sunk in. Right away, Gary had surgery to remove as much of the tumor as possible and he began treatment immediately after that.

"After we processed the news of Gary's diagnosis, it was game on!" says Gary's wife Maureen, who has become his primary caregiver and cheerleader.

"Game on" is a phrase the Shippys have embraced throughout the cancer journey. "We had coins made with that phrase on them and we give them to doctors, friends, and family," Maureen says. "It's Gary's way of showing those who have walked this journey with him how much he appreciates them."

Throughout 2009 and 2010, the Shippys have made countless trips to doctors both here and at Duke University Medical Center in Durham, NC, and they have taken a toll. "Gary's health continues to have its challenges," Maureen says. "He's never had a break from treatment, and he's participated in several clinical trials. Traveling is becoming difficult for all of us. Not only do we have the normal stress of flying, but Gary's mobility is not the same, and there is always a certain amount of anxiety knowing we're going to see the docs at Duke. What will they say?"

The last two and a half years have presented other challenges, as well. A month after Gary's diagnosis, Maureen's position was eliminated from the company she had been with for 30 years (her work family). With Gary unable to work and Maureen out of a job, "suddenly, it felt like our network of support was gone," Maureen says. "Thankfully, we have a wonderful family, great friends, and now Cancer Services." Though the Shippys found out about Cancer Services a few months after Gary's diagnosis, they have taken advantage of the Caring Touch massage program, the durable medical equipment loan program, and emotional support.

"We've really enjoyed getting involved in the Cancer Services' community," Maureen says. "It's helped take our minds off things. We especially enjoyed participating in Lapper for the first time last year."

## Lapper 2012 - May 19

Sign up today to participate in Lapper 2012 on Saturday, May 19, and help us raise funds and awareness for our programs for people with cancer in our community.

When Lapper founder Jill Burnett, a teacher at Canterbury School, first organized this event, 10 years ago, she encouraged people to test their own endurance and push past their comfort zone just as people with cancer do every day. That tradition continues today, and each Lapper participant is encouraged to walk as many laps as he or she can.

This year, we are moving the event to our facility in Brotherhood Office Park. So, bring a friend, form a team, and help us raise money to provide support and services to people with cancer in our community.

Register online: [www.lapper2012.kintera.org](http://www.lapper2012.kintera.org) or download the registration form at [www.cancer-services.org](http://www.cancer-services.org).

Forms are also available at our office.

Join us immediately following Lapper 2012 for our annual Survivors Day celebration. Enjoy food, fun and entertainment for the entire family beginning at 11 am. This event is open to the entire community, not just cancer survivors and not just Lapper participants. Come help us celebrate!

clientstory

Lapper is Cancer Services' annual fundraising walk designed to honor those touched by cancer and raise money and awareness for programs. This year's event is Saturday, May 19.

"We've participated in national fundraising events before," explains Maureen, "but last year, we decided we wanted to make an impact on our local community. Cancer Services' Lapper helps people right here in Northeast Indiana dealing with cancer. We can see our efforts making a difference."

With Maureen at the helm, Gary and their two sons, along with 25 additional "Game On" team members, raised over \$3,915 for Lapper 2011.

"Research is important and that's why we've supported some national events in the past," Maureen says, "but those fighting cancer need assistance NOW and that's what Cancer Services does. That's why we choose to participate in Lapper."

If you'd like to join Gary and Maureen and participate in Lapper 2012, you can register online at [www.lapper2012.kintera.org](http://www.lapper2012.kintera.org), or call Betsy at (260) 484-9560.

## New Employee

### Betsy Perry Patton joins our staff!

Fort Wayne native and Bradley University graduate Betsy Perry Patton joins our staff as events coordinator. In this role, she is responsible for the coordinating and planning of our fundraising events.

"Betsy is an experienced community volunteer, and I am glad to have her on board to help move our fundraising events to the next level," says Amber Recker, director of development. Betsy has volunteered for a variety of community organizations, including Junior League of Fort Wayne, Easter Seals Arc of Northeast Indiana, Young Leaders of Northeast Indiana, and the Fort Wayne Ballet.

## MARK YOUR CALENDAR!

THURSDAY, October 11, 2012

### Annual Tribute Dinner

Our annual Tribute Dinner will take place on Thursday, October 11, 2012, at the Marquis Ballroom at the Fort Wayne Marriott. This year's speaker is Scott Burton, cancer survivor, award winning comedian, and world-class juggler. He will bring energy, passion and laughter to our event and we are excited to have him.

## Calling All Breast Cancer Survivors

5th Annual

For the 5th year, the Fort Wayne Derby Girls will be hosting Bust a Move, an art exhibit and auction to benefit Cancer Services. We are honored to have been chosen by this group of strong and caring women to be their partner in this unique event. Since its inception in 2008, the event has raised over \$30,000 to support programs and services for breast cancer clients in our community.

The committee is looking for breast cancer survivors who are interested in participating in the casting process. There will be a discreet and private casting session at Cancer Services. If you would like to participate, please contact Amber Recker at (260) 484-9560 or [arecker@cancer-services.org](mailto:arecker@cancer-services.org).

For more information about the event, visit [www.fwderbygirls.com/events/bustamove.php](http://www.fwderbygirls.com/events/bustamove.php).

## Design on Life Recap

What an amazing event! Over 300 people joined us for our 9th annual Design on Life event on Saturday, February 25, in the Diamond Room at Ceruti's. This year's theme was "Journey Around the World" and guests enjoyed sampling international cuisine, delighting their palettes at the wine tasting, and bidding on exciting auction items, all to benefit Cancer Services' programs. If you missed the event, we hope you plan to join us next year!

Tom Horton, Dianne May, Julie Nill and Karen Tejera

Guests line up for their chance to win an iPad during "Arrivals and Departures"

## More opportunities for massage

Last year, professional massage therapists with advanced training working with cancer patients provided nearly 500 massages at Cancer Services. These dedicated volunteers are amazing, and the relief and relaxation they provide is invaluable to someone dealing with cancer.

Because demand for massage therapy is high, Cancer Services is pleased to again present nationally-recognized trainer Tracy Walton, M.S., L.M.T. for the 2012 Alvin & Madeleine Strauss Educational Symposium. Twenty certified massage therapists will take part in an intensive four-day training, including lectures, technical instruction, and clinical work this month.

Following completion of their training, these professionals will provide 16 volunteer hours to care for people with cancer. It is our hope that many of them will come to share the Cancer Services mission and continue as volunteer massage therapists throughout the year.

No cost, 30-minute massages are available to people with cancer and their primary caregivers. Call (260) 484-9560 to schedule an appointment. Massage can be a great complement to medical care. Recipients report better sleep, alleviation of some symptoms, less anxiety, and overall well-being. Massage is a great way to help your body heal and find relaxation.
