## Annual Tribute Dinner October 13, 2011

This year's Tribute Dinner, Navigating Life's Detours, will take place on Thursday, October 13, 2011, at the Marquis Ballroom at the Fort Wayne Marriott.

This signature event offers our community an opportunity to pause, treasure the lives of people who have been touched by cancer, and pay tribute to them, whether a cancer survivor, caregiver, physician, or lost loved one. The evening includes a chance to share memories with family and friends and enjoy a nice dinner and entertainment.

We are pleased to welcome Regina Brett as this year's speaker. Regina is a columnist for *The Plain Dealer* in Cleveland, OH; author of "God Never Blinks: 50 Lessons for Life's Little Detours"; and breast cancer survivor. Her book is an inspirational collection of essays and stories about the lessons life taught her along the detours of life. She was named a Pulitzer Prize finalist twice in 2009 and 2008 for columns she wrote for *The Plain Dealer*.

Author and Columnist, Regina Brett

"Navigating Life's Detours will be an exciting event for Cancer Services of Northeast Indiana and our community," said Janet Stephenson, board chair for CSNI. "Regina is an excellent storyteller—thoughtful, with humor and insights into life's journey. She is a cancer survivor and as Regina would say, she knows what it means to have life change in the blink of an eye. We can all benefit from the inspiration and encouragement this special evening offers."

There are several ways to take part in the event:

- 1) Host a table for your friends and family members.
- 2) Organize a group of your friends or family members to all contribute to host a table.
- 3) Purchase an individual ticket and join other Cancer Services supporters for an evening of fine dining and top-notch entertainment.

**TICKET PRICES:**  
 Individual tickets: \$100  
 Tribute tables: \$800  
 (includes 8 tickets and 1 tribute)  
 Individual Tributes: \$100

RSVP by 9/20/11 to Amber Recker  
at [arecker@cancer-services.org](mailto:arecker@cancer-services.org).

Tickets are \$15 in advance, \$20 at the door.

The charity-driven Fort Wayne Derby Girls are once again teaming up with Cancer Services of Northeast Indiana to raise funds for services and supplies for women with breast cancer in Fort Wayne. Last year, the event raised \$10,000 for Cancer Services, bringing the grand total for three years to \$22,700.

For Bust a Move, local artists and women volunteered their talents and their bodies to create unique, inspiring cast representations of the female bust and the emotions associated with breast cancer. Each cast will be painted and auctioned off for charity at this event. Join us for this one-of-a-kind fundraising evening.

Contact Amber Recker at (260) 484-9560 or arecker@cancer-services.org for more information.

## Tribute Dinner *continued from cover*

Last year at the Tribute Dinner, we introduced the William A. Kunkel III Champion of Hope award, an honor designed to recognize an individual who embodies the mission of Cancer Services through his or her lifelong commitment to enhancing the quality of life of those affected by cancer in Northeast Indiana. The board of directors bestowed the first award on its namesake, William A. Kunkel III, who has served in many volunteer roles, including board member since 1959. The board will choose another recipient to be honored at this year's event.

### Richard Doermer Bequest

The name Dick Doermer is familiar to many people throughout Northeast Indiana. His business acumen and generous community spirit made him a leader in our community. To those who knew him personally, he was a kind, wise and gentle man.

Cancer Services of Northeast Indiana and a number of other organizations were fortunate to receive a bequest from Mr. Doermer's estate. Gifts like these are so valuable to the mission and families served by Cancer Services. As his daughter, Kathy Callen said, "Dad gave so much of himself to the community during his life. It seems fitting that his giving spirit continues after his death."

## ENERGY TO SPARE

*Susan Swardenski may be 71 years old, but she has the energy of a 25 year old!*

by Lynette Fager

Susan Swardenski

Susan became involved with Cancer Services of Northeast Indiana when her 47-year-old son was diagnosed with prostate cancer in 2009—the same year Cancer Services' Tribute Dinner focused on prostate cancer. Susan walked into Cancer Services and said she wanted to help and found herself on the Tribute Dinner committee. The rest, as they say, is history.

From there, she became involved with the Tie1On for Prostate Cancer Seminar, Survivors Day Celebration and Lapper and started teaching Tai Chi at Cancer Services.

"It's amazing what Cancer Services can do for someone dealing with a crisis," says Susan. "And in a small way, I can make a difference. I never feel unneeded when I volunteer with Cancer Services."

Susan says that Cancer Services is a blessing to Fort Wayne; she just wishes more people knew about it.

"When I tell people everything is free, their eyes get wide," says Susan. "They can't believe they can get a hospital bed or counseling for free. Anything you need, Cancer Services can help you get. If Cancer Services doesn't have it, someone there will help you get it."

Her son has had a clean bill of health for two years now, but that doesn't deter Susan's involvement. On the contrary, it continues to increase! On top of the volunteer activities she was already a part of, Susan is the only woman on the prostate cancer committee and though that is a source of some amusement to her and the committee, she says the men on the committee have been a source of support and comfort to her.

Susan says one of the best things about Cancer Services is you can see exactly where your fundraising and volunteer hours are going—right back into the community.

"Cancer Services is a great place for my energy," says Susan.

## COMPLEMENTARY CARE CONFERENCE

Cancer Services was pleased to bring Naturopathic Physician Dr. Loch Chandler and Oncologist Dr. Stephen Chandler to Fort Wayne to discuss integrative medicine, including Chinese medicine, acupuncture, and diet, and the value of complementary modalities to support healing and address the symptoms and side effects of the disease and treatment. The reaction and interest from the local medical community was very positive.

## CARING TOUCH MASSAGE

In June, Cancer Services hosted a three-day, NCBTMB-approved training program, "Caring for Clients with Cancer: Simple Steps to Safe, Effective Massage Therapy." Nationally-recognized trainer, Tracy Walton, MS, LMT, instructed 25 local massage therapists in this hands-on training. With the help of this event and the ongoing commitment of 11 highly-qualified massage therapists, Cancer Services was able to launch Caring Touch to provide 30-minute massage sessions for clients and their primary caregivers. This program, Complementary Care Conference and the massage training program, were made possible in part by funding from an Inspire grant through Foellinger Foundation.

## WHY WE DO WHAT WE DO

This letter was addressed to two staff members. It illustrates why donors, volunteers and staff are so committed to helping local people with cancer.

*"Margaret and I want to thank you both for helping us through a very trying time. But most of all, I want to thank you for allowing me to have a soft place to land when it was needed. You were both there late one afternoon when I stopped by to pick up something and I had an emotional breakdown. You both assured me that everything would be OK... just what I needed at the time. As I look at my blessings of the year, you two are very high on my list. Thanks again for helping me through a very emotional time."*
