Tickets on sale for Cancer Services' Annual Auction Fundraiser

Tickets are now on sale for Cancer Services of Northeast Indiana's 10th Annual Design on Life fundraiser, which takes place on Saturday, February 23, 2013 at the Allen County War Memorial Coliseum.

Event attendees will be treated to a taste of Wimbledon, the Kentucky Derby, World Cup, PGA and the NFL at this year's "Game Time" themed event. Delicious hors d'oeuvres prepared and beautifully presented by Executive Chef Christopher Zimmerman and entertainment will be part of the "Game Time" action. The highlight of the evening remains our silent and live auctions featuring vacations, jewelry, sports packages, spa treatments, art, and more.

Proceeds will benefit programs supporting individuals in our community who are affected by cancer. Each year Cancer Services helps over 2,400 individuals and their families by providing financial assistance, medical supplies and equipment, and emotional support.

Media are encouraged to attend. For more information regarding the event, contact Betsy Perry Patton at (260) 484-9560 or events@cancer-services.org.
