Registration is Now Open for Cancer Services' 11th Annual Lapper

Cancer Services of Northeast Indiana will host its 11th annual Lapper on Saturday, May 18, 2013, at its location in Brotherhood Place Office Park, 6316 Mutual Drive.

Registration is now open and there are two ways to do so: online at www.lapper2013.kintera.org or by downloading the registration forms at www.cancer-services.org. Forms are also available at Cancer Services.

Walkers who register by May 1st and raise a minimum of \$25 will receive a free special edition tee shirt. Water and fresh fruit will be provided and the walk will take place, rain or shine. This is a great opportunity to spend the day with family and friends and show support for those with cancer.

Lapper 2013 is a fundraiser designed to honor or memorialize those touched by cancer. When Lapper founder Jill Burnett first organized this event, she encouraged participants to test their own endurance and push past their comfort zone just as people with cancer do every day. That tradition continues, and each Lapper participant is encouraged to walk as many laps around Brotherhood Place Office Park as they can.

All proceeds from Lapper 2013 benefit Cancer Services of Northeast Indiana and help support programs for people with cancer in our community.
