

Swing for Cancer: A Hole-in-One for Cancer Services' Mission

This past June, the Cobblestone Ladies Golf Association hosted their 27th annual Swing for Cancer Golf Outing. It has grown to one of the largest women-only golf outings in our region and raises over \$18,000 every year.

When the planning committee delivered the funds from this summer's event to Cancer Services, we sat down with Helen Cochard, Brenda Rummel, and Pat Treesh to learn more about the event. They've been involved with the outing since 2008, 2015, and 2000, respectively.

This year, Swing for Cancer raised \$18,200 to support the mission of Cancer Services.

"The typical donation is \$50, so that gives you an idea of just how many people contribute," Brenda said.

The golf outing started in 1996 and was the brainchild of Sandi Fischer. Phyllis Weber, Cindy Kretler, Donna Wright, and others helped make the event a reality.

Originally, the golf outing benefited a national organization. However, the group decided that they wanted to support a local organization.

Around this time Pat was introduced to Cancer Services by her daughter, Julie. Julie had received oncology massage training through Cancer Services and was volunteering her time to provide oncology massages to clients. She told her mom about the organization and the committee took a tour.

"Seeing the services provided to our community, I knew that Cancer Services was perfect to receive the funds. I appreciated that the agency provides local support and is independent. And the rest of the committee was also on board," Pat said.

Funds are raised through sponsorships, team registration fees, and a huge raffle held at the event. The outing is truly a community effort, with the Cobblestone Golf Course and even neighbors doing what they can to support the event.

As Helen said, "Whenever we ask for anything, they're willing to help."

This year, twenty-eight teams registered for the outing, with over 120 golfers and volunteers attending the big day.

When asked what motivates them to keep the event going for nearly 30 years, Helen shared, "This event helps those in need. Cancer has and could impact any of us."

Your IRA can help a neighbor with cancer.

You can help someone with cancer get the help and support they need while decreasing your tax burden.

If you or your spouse are over age 70 ½, you can give any amount (up to \$100,000) per year from your IRA directly to Cancer Services without having to pay income taxes on the money.

If you'd like to learn more, contact Director of Donor Impact Loren Hayes at 260-484-9560 or LHayes@cancer-services.org. We also always recommend consulting with a financial professional.

Save the date for the 28th annual Swing for Cancer on June 18, 2024! If you'd like to register a team of four or sponsor the event, email Brenda at rummelbrenda@yahoo.com.

All programs are free and open to the public. Cancer Services offers many ongoing classes and support groups. Visit www.cancer-services.org for the full event calendar.

November & December

NEW Nourishment for Cancer Support Givers (and other Caretakers)

Third Wednesday of each month
6:00-7:30 p.m.

Cancer Services Southeast at The Impact Center, Room 400, 3420 E Paulding Rd, Fort Wayne, IN 46816

As a support giver herself, Chariee Reason is intimately familiar with the unique toll that support giving can take. If you are companioning someone through their cancer journey (or caregiving in another capacity), you're invited to join Chariee every third Wednesday of the month for a time of nourishment and community for YOU.

*Individuals coping with cancer are also welcome to attend.

No classes or support groups will be held on these days.

As winter approaches, be sure to keep an eye on our Facebook and Instagram pages. If Cancer Services needs to close due to inclement weather, we will make an announcement there.

Celebrating Bill Schroeder

Cancer Services' Board of Directors recently celebrated long-serving board member Dr. William Schroeder, EdD. He has been a dedicated board member for 40 years. A plaque honoring his commitment is now on display in our office.

President & CEO Dianne May (L) and Board Chairman Cory Swagger (R) present Bill Schroeder (M) his honorary plaque at the August board meeting.

Zoo Day Fun

On September 16, Cancer Services hosted our annual Zoo Day for Kids Surviving Cancer. This is a special day for kids with cancer and their families to spend quality time together and just be a family.

Special thanks to Casa Restaurants for catering and serving a delicious meal, and to Dazzling Dots for donating hand-made artwork for each child.

Attendees at the 2022 Christmas party along with special guest Santa Claus.

36 Years of Christmas Cheer

Thank you to North Side High School for inviting Kids Surviving Cancer and their families to the 36th annual Christmas Party. The families we work with are so grateful for the chance to have fun and leave their worries behind for a few hours.

2023 Champion of Hope Recipient Dr. Sreenivasa Nattam

On September 14, Cancer Services of Northeast Indiana honored Dr. Sreenivasa Nattam as the 2023 William A. Kunkel Champion of Hope Award recipient. Dr. Nattam is a beloved oncologist at Fort Wayne Medical Oncology and Hematology.

“Dr. Nattam demonstrates an unparalleled devotion to the organization as a volunteer, advocate, friend, and companion, leading by example and exhibiting unwavering compassion,” Dianne May, President & CEO, shared during the event at the Parkview Mirro Center for Research and Innovation.

For over a decade, Dr. Nattam has provided annual educational sessions for clients at Cancer Services.

His sessions always have a full house.

Not only is he incredibly knowledgeable about the topic, but he is well-prepared and presents complex material in a way that people can understand. This empowers them to use the information to be an active participant in their own care. Without fail, after lecturing for more than an hour, Dr. Nattam will stay and speak with attendees and answer their questions for as long as it takes (usually another hour).

Understanding the unique obstacles that people facing cancer come up against, Dr. Nattam frequently recommends that his patients seek the support and services available at Cancer Services. Dianne shared this example of Dr. Nattam’s care and attention:

“Client Advocate Liz Fenimore told me of a 20-year-old woman with no family in town and a very serious diagnosis. She was overwhelmed by the healthcare system and struggling to manage daily life in the midst of treatment and life-changing decisions.

With his patient’s permission, Dr Nattam reached out to Cancer Services to help build a bridge to the services she needed.

Dr. Sreenivasa Nattam, Fort Wayne Medical Oncology and Hematology

He shared with Liz his observations about the young woman’s needs. Together they formed the missing support network that everyone with cancer needs.”

For this young woman, Dr. Nattam was not only her physician but an active partner in Cancer Services’ model of empowerment, always respecting his patient’s personhood and rights.

Congratulations to Dr. Sreenivasa Nattam for this honor!

The William A. Kunkel Champion of Hope Award recognizes an individual who embodies the mission of Cancer Services of Northeast Indiana through his or her lifelong commitment to enhancing the quality of life of those affected by cancer in Northeast Indiana.

Dr. Wesley Russell, Dianne May, and Dr. Sreenivasa Nattam at the Tribute Dinner, where Dr. Nattam was honored as a Champion of Hope.

Thank you, Sue, for your lasting gift!

Suzanne H. Gilson

Born and raised in Fort Wayne, Sue Gilson was a woman passionate about making a difference. She earned her bachelor’s degree in education and then taught at Harrison Hill Elementary School. Once married, Sue fully dedicated herself to raising her three children, Deborah, Geoffrey, and Bradley. Sue had a life-long passion for women’s clothing. Once her children left the nest, she pursued this passion by working at locally-owned women’s clothing stores. She took great pride in using her keen sense of style to help clothe the women of Fort Wayne.

Raising three children took up a lot of Sue’s time, but even so, she gave back to her community by volunteering with organizations she adored.

She was also a generous philanthropist, sharing her resources to make the community where she’d lived her whole life better for everyone. Sadly, Sue passed away in March. Sue generously left a final, lasting gift in her will for Cancer Services of Northeast Indiana. Her gift will help ensure that all services remain available to families facing cancer.

Because of Sue Gilson and others like her, thousands of neighbors receive hope and help in their cancer journey. Sue’s legacy and passion for making a difference lives on in every person we help. If you’d like to learn more about how to leave a lasting gift in your Will, contact Loren Hayes at 260-484-9560 or LHayes@cancer-services.org.

Cancer Services is entirely supported by charitable contributions. Some support comes from local foundations, but it is the individual donors who make the most impact - sending regular checks, buying tickets to fundraising events, and walking to raise money with friends. These gifts come with "no strings attached," which means we are able to fund innovative new programming and balance resources so that people can get what they need when they need it.

Without donors like you and the other amazing people and organizations on this list, this organization would not exist.
