CANCER SERVICES OF NORTHEAST INDIANA ♦ FEBRUARY 2024 ♦ VOL 81 ♦ ISSUE 1

Cancer Services West opens in Warsaw

Because of you, friends and neighbors in and around Kosciusko, Noble, Whitley, and Wabash counties can get help closer to home.

Cancer Services West at 2190 North Pointe Dr. in Warsaw

This year, Cancer Services of Northeast Indiana celebrates 80 years of caring. Eighty years ago, a group of community leaders decided they couldn't turn their backs on those struggling with cancer. That one decision, to simply say "I want to help," has blossomed into a safe place for thousands of families to rest, laugh, and cry.

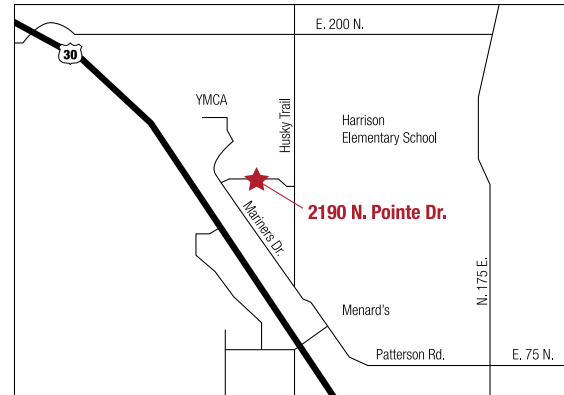

To make that safe place more accessible to our neighbors to the west, **we are very proud to announce that Cancer Services of Northeast Indiana opened an office in Warsaw, Indiana in February 2024**, serving people with cancer in and around Kosciusko, Noble, Whitley and Wabash counties.

Resources for families will include personal advocacy and support, financial assistance, in-person mental health counseling, medical equipment and supplies, and wigs and head coverings. As our presence and capacity grows, we're looking forward to responding in even more ways to the needs of people with cancer who live near Cancer Services West.

There have been several funders and partners who have played key roles in making this location a reality. Thank you to K-21 Health Foundation and Kosciusko County Community Foundation who have stepped up their long-standing financial support. We are also honored to partner with The Help Center and are grateful to the team at Sherwin Williams in Warsaw for helping us get ready.

We look forward to growing our partnerships with all area physicians and healthcare providers including Fort Wayne Medical Oncology and Hematology, KCH Cancer Care Center, Parkview Kosciusko Hospital and Goshen Center for Cancer Care.

Cancer Services West has been made possible by your generosity, support, and encouragement. As a whole, Cancer Services would not exist without individual donors like you. Cancer is overwhelming in so many ways. A one hour drive both ways to treatment and appointments isn't just time consuming, it can be exhausting at a time where families are stretched and often tired. Your support and this office will bring help home and make it so much easier to get what is needed.

Cancer Services West is conveniently located near local hospitals and treatment centers.

The team at Sherwin Williams donated paint, supplies, and their time to help us get our new space ready for you. We are so grateful for their generosity!

Thanks to you, a well-stocked healthcare equipment and supply room will be available for people with cancer.

Last October, McIntosh Energy sold breast cancer awareness magnets at their local MacFood Mart convenience stores.

McIntosh Energy presented a check for \$1,200 to Cancer Services Community Engagement Coordinator Regina Cannaday during a Fuel the Fight event at their Goshen Road location.

Inaugural Fuel the Fight Fundraiser a Huge Success

Convenience store customers responded in a huge way to support local people with cancer

When local fuel and convenience store company McIntosh Energy wanted to support a new nonprofit through their community fundraising, Cancer Services of Northeast Indiana came up during brainstorming. Tammi McCann, the Retail Operations Manager, immediately remembered her experience with Cancer Services over a decade ago when she was facing cancer.

“I will never forget the kindness and support I received,” she said.

“Tammi immediately jumped in to advocate for Cancer Services,” Jessica Carroll, the Public Relations and Marketing Manager, recalled. “And for us, it was a no brainer. Here was an organization who had a direct impact on our team members.”

To raise funds to help local people with cancer, McIntosh Energy sold pink ribbon magnets in October for Breast Cancer Awareness Month. “I was concerned if anyone would see the value in getting a magnet,” Jessica shared. They’d never done a fundraiser like this before and didn’t know how their customers would respond.

But respond their customers did. Within two days, the magnets were sold out at one of their four convenience stores around Fort Wayne. “People would buy a ribbon and then hand it back to the cashier for another person to be able to buy. It was a huge success,” Tammi said. “I’ve never been so happy to scramble to find more of something,” Jessica said with a laugh.

At a special event at their Goshen Road location, McIntosh Energy presented a check totaling \$1,200 to Cancer Services. Those funds immediately began to help local people with cancer receive compassionate support and assistance.

“We’re gung ho for doing it bigger and better next year,” Jessica said.

Thank you to McIntosh Energy for your generous support of Cancer Services!

Fuel the Fight is what we call a Side-by-Side Fundraiser, where members of the community lead a fundraising effort to support Cancer Services. Thank you to the following Side-by-Side Fundraisers who raised \$1,000 or more to support our mission last year:

- AJ Arnett 5K Honor Run
- Bailey - Neumeister Golf Outing
- Cobblestone Golf Outing
- Community Link FCU Breast Cancer Awareness
- Fire Police City County FCU Breast Cancer Fundraiser
- Fort Wayne Amateur Hockey Assoc.
- Fort Wayne Metals Movember
- Golfing Friends for Gary Shippy
- Harley - Davidson of Fort Wayne Biking for Boobies
- Jeff Anderson Memorial Race
- Kelly Box & Packaging Cancer Fundraiser
- Master Spas Amazing Race
- McIntosh Energy Fuel the Fight
- Sigma Phi Gamma Sorority Delta Rho Chapter Plant Sale Fundraiser
- Ultrazone Laser Tag Breast Cancer Fundraiser
- Viant Basket Raffle

In Memoriam — Tom Horton

Our hearts ache as we mourn Tom Horton, a long-time friend of Cancer Services. For nearly two decades, he lent his compassion, kindness, and leadership to local people facing cancer. He was incredibly mindful of the hardships that our clients and their families experience.

In addition to serving as board chair, Tom led the capital campaign which resulted in the purchase and renovation of our building on

Tom Horton received the Champion of Hope Award from Cancer Services in 2020. He was a great friend to the organization who will be dearly missed.

Mutual Drive. Without him, we would not have the warm, welcoming facility that has become a safe place for thousands.

We know there are many in this community who are grieving. We extend our sympathy to Tom’s wife Lynda and his children Elizabeth and John. We are honored to celebrate the lives and honor the losses of so many we serve. We will eternally be grateful to Tom for all that he’s done.

Upcoming Events

All programs are free and open to the public. Cancer Services offers many ongoing classes and support groups. Visit www.cancer-services.org for the full event calendar.

Facilitated by Christy Knecht, CFTG,
Director of Wild Communion
Location TBA
Register: Lauren Richwine, 260-484-9560
or LRichwine@cancer-services.org

Annual Breakfast Celebrates Volunteers and their Contributions Volunteers donated 3,335 hours last year

On December 1, Cancer Services celebrated all the volunteers who join us in our mission to help people with cancer. The efforts of all volunteers are appreciated and celebrated.

It was an honor to thank all the volunteers who help local people with cancer. Pictured here is "The Originals" Sewing Group from Zion Lutheran Church in Columbia City.

Cancer Services volunteers do so much for local people with cancer. They help drive people to treatments, sew and inspect bed pads, plan special events, share Cancer Services resources at community events, assist at the office with time-consuming tasks, and so much more.

Together, volunteers accumulated 3,335 volunteer hours in 2023! Isn't that amazing? It truly shows the power of teamwork!

Gratitude for Board Members who Served our Mission

We wanted to take a moment to thank board members who recently fulfilled their terms. Cancer Services is so grateful for their contributions during their time as board members. And while this isn't "goodbye" but simply "see you later," we will dearly miss their voices and perspectives.

Brad, Julie, and John, thank you for your service!

Pictured L-R: Brad Bertsch, Julie Nill, and John Bloom, all three board members who recently fulfilled their terms after dutifully serving the mission of Cancer Services.

Spreading Christmas Cheer for Kids with Cancer

On December 10, North Side High School invited children with cancer and their families to enjoy a Christmas celebration. Families did crafts, enjoyed a meal together, met Santa and Mrs. Claus, and were treated as guests of honor by North Side High School students and staff. This is the 36th year that North Side High School has held this party. Here's just a few photos from the festivities.

Thank you to Jeremy Garner with JBG Photography for taking these delightful photos.

Santa high fives one-year-old Chante at the 36th Annual Christmas Party.

Five-year-old Kenzlee receives a big, warm hug from Santa Claus.

Cancer Services is entirely supported by charitable contributions. Some support comes from local foundations, but it is the individual donors who make the most impact - sending regular checks, buying tickets to fundraising events, and walking to raise money with friends. These gifts come with "no strings attached," which means we are able to fund innovative new programming and balance resources so that people can get what they need when they need it.

Without donors like you and the other amazing people and organizations on this list, this organization would not exist.

Welcome to new staff members, Crystal, Glenn, Pat, and Taylor!

Hi, my name is Crystal Habart, and I'm the Development Specialist. Before coming to Cancer Services, I worked in the mortgage industry at Hallmark Home Mortgage. I was drawn to work here because I have walked alongside my mother in her journey. I feel passionate that Cancer Services truly believes in providing a light for cancer patients, survivors, and caregivers during difficult times. I am married to my husband Mat, and we have a dog, Arthur and cat, Maggie. I enjoy spending my free time outdoors and in nature, hiking with my dog and traveling. My mother and I have also enjoyed the hobby of building dollhouses together in recent years.

Crystal Habart, Development Specialist, plays a major role in processing generous donations from the community.

“It was good to talk to an advocate who understands the many varied stresses that cancer touches on. The level of caring and empathy is very heart and soul warming.”

“When doctor said the C word, I was terrified, not knowing what to expect, but when Cancer Services talked to me, it made all the difference to me. I am so grateful to have them.”

My name is Glenn Rayburn, and I'm the Client Equipment Specialist. I am retired from the US Army where I served 17 years. I have a bachelor's degree in human resources from University of Phoenix. In my free time, I like to play with my service dog and visit the outdoor range. I have four children (ages 32, 29, and twins who are 2 ½). I enjoy working at Cancer Services because of the feeling I get to help someone in need. I also enjoy working with this great group of employees.

Glenn Rayburn, Client Equipment Specialist, keeps our warehouse well-stocked with healthcare supplies and durable medical equipment

Hi, I'm Pat Graham, and I'm an Administrative Professional. Before I began working at Cancer Services, I tried retirement but didn't like it. Before that I worked for the City of Fort Wayne Parks and Recreation Department. I started college at Ball State University before transferring to IU Bloomington. (Go Hoosiers!) My son is a cancer survivor. I lost two of my best friends to cancer. I need to do what I can to help listen someone's day or just make them smile. That's why I'm here at Cancer Services. I spend my free time reading, relaxing, and being outside with my dogs. I have two great kids, Brianna and Brock. Brianna has two teenagers, Gage and Miley. My four-legged family members are rescues and include my French Mastiff and my son's pit bull mix.

If you've called the office, you've likely heard Pat Graham, Administrative Professional, on the other side, ready and happy to help.

“What you are doing to lessen the burden of cancer patients is amazing! Kudos!”

Taylor Cobos, Client Advocate, dedicates her time to supporting clients.

Hi, I'm Taylor Cobos, and I'm a Client Advocate. I came to Cancer Services from the YWCA of Northeast Indiana, where I advocated for survivors of domestic violence. I received my Bachelor of Science in Criminal Justice from Purdue University Fort Wayne. My small but mighty family (me, my husband, and my dog Tito) is a powerhouse of love and laughter. We love to travel the world often and experience new things. I also have a passion for cooking and trying out new recipes. Several years ago, a close family member was very suddenly diagnosed with cancer, and witnessing their journey ignited a deep sense of empathy within me. The experience opened my eyes to the physical, emotional, and financial struggles that people face when dealing with cancer. Since then, I have dedicated myself to making a positive impact in the lives of those affected by this disease. I find fulfillment in providing a helping hand and am driven by the belief that everyone deserves a network of caring individuals during their cancer journey.

Ribbon walk

Supporting Local Families Dealing with Cancer

Saturday, May 4, 2024
9am-11am

All proceeds from Ribbon Walk stay in your community to help families touched by cancer.

Raise money to help people with cancer!

Join the Ribbon Walk and fundraise to support local people with cancer!

<https://give.cancer-services.org/ribbonwalk2024>

Help us reach our \$115,000 goal!
